**Dyan Chang | Managing Director

It was indeed **Markers & Brushes' greatest pleasure to have engaged you as our emcee** for our biggest event ever held.

We would like to thank you for your **professionalism in extending your amiable, attentiveness and good-humour nature in delighting our guests.**

In addition, we were impressed by your **relentless efforts to enthrall guests** by visiting each of our activity booths to encourage participation and even involving yourself in various games. Furthermore, you have **diligently delivered all the messages** which we wish to convey throughout the event day.

Many of our guests including corporate clients, business associates and friends, departed the event with **good impression of you being the eloquent and gorgeous emcee.**

Honestly, I have not much to add to 'making improvements' as I cannot find any faults in your service. Without thinking twice, I would **strongly recommend you as an Emcee** to anyone whom will require your service, **including dance choreography.** :)

Kristopher is definitely one of the **most hardworking emcees** whom I have known. We (HDB) are generally **pleased with the professionalism** from Kristopher. Kristopher was able to think on his feet and react promptly during the whole event. We would **definitely engage him for any of our future events!**

Josiah Lau | Organising Team
Festival Square Circle Pte Ltd
National Heritage Board Singapore HeritageFest

Kristopher was very professional and good at engaging the public whilst explaining the activities which took place. As part of engaging with the public, he even **personally took part in the activities** at Century Square, which centred on the theme "Monumental Weddings". These included getting a henna painting on his hand and having a wedding corsage pinned on his shirt. In fact, on one of the days of the Festival he received a **compliment from a member of public about his excellent emceeing skills**.

I highly recommend Kristopher as an emcee as he has demonstrated **very good flexibility** by being able to emcee on a formal level and to also bring it down to be relatable to the public.

He is **incredibly spontaneous** on stage and is **able to engage the large audience of different demographics** well. Kristopher was a perfect touch to the concert by helping it to run smoothly. Overall, I am very pleased and grateful to have had Kristopher as my emcee!

A great MC/host is one that is resourceful, flexible and quick to think on his/her feet. Kris is all of the above. He is **poise, presence, humour and wit all rolled into one**. In every event that I've seen him host, never once has he failed to engage, entertain and energize the audience! I'm a huge fan!
